

# 2021 Red Lake County Aquatic Invasive Species (AIS) Plan

## Approved by the Red Lake County Board of Commissioners

Red Lake County will be allocated \$6,784.00 in 2021.

The Red Lake County SWCD is proposing the following plan for the 2021 Aquatic Invasive Species Prevention Aid allocation:

- Attend Training: Webinar(s), Workshop(s), Conferences, etc. related to the AIS Program.
- Newspaper article(s) regarding the AIS program printed in both county newspapers (Red Lake Falls Gazette and Oklee Herald), individual mailings as needed/requested, development of AIS poster(s), AIS brochure(s), and distribute these items at gas stations, DMV office, etc. and other public awareness strategies
- Public Awareness & Education: Promote the AIS Program through the distribution of educational materials and promotional items. Promote AIS Program through Red Lake River One Watershed One Plan Implementation efforts.
- Purchase Display Rack for Red Lake County owned landings/businesses for public awareness (Display: signage, poster(s), rack cards, brochure(s), promotional items, etc. at water accesses)
- Update the AIS Link on County's and SWCD's Website to provide public awareness.
- Develop a plan for 2022 for the Red Lake County Board to approve.  
(Submit plan to DNR by December 31, 2021)
- Tracking AIS Expenditures and Reporting Requirements

Red Lake County SWCD will be responsible for annual plan development, submitting the annual plan to Department of Natural Resources for approval, program implementation, tracking all AIS expenditures, and meeting any reporting requirements.

Chairman of the Red Lake County Board
